Relief Defendants.

- 1. My name is Adam Gonnelli, and I am counsel for plaintiff Mandar Mirashi in the above- captioned action.
- 2. I make this Declaration in support of Mr. Mirashi's request for additional expedited discovery.
- 3. In response to a subpoena served upon Reddit, Inc., Mr. Mirashi received information concerning the Reddit account of the unknown person who sent Mr. Mirashi misleading communications in service of the fraud.
- 4. Reddit produced three IP addresses from which the misleading messages were sent.

- 5. Those three IP addresses were associated with internet service providers Tzulo, Inc, of Chicago, and DataCamp Ltd. and UK2.net of the United Kingdom.
- 6. Reddit also produced the email address associated with the same account, which is a Gmail address hosted by Google.

I make this Declaration under penalty of perjury under the laws of the State of New Jersey and the United States.
